

LCG Forensic Technician

Location – Houston, TX

LCG Discovery Experts LLC specializes in high-tech investigations, consulting and e-discovery. We are highly specialized professionals known by top law firms and corporations for our unparalleled high-tech investigative abilities and complex problem solving.

The LCG Forensic Technician will assist our forensics analysts and investigators with evidence management and the collection, preservation and basic analysis of digital media

Position Responsibilities:

- Assist with evidence intake, tracking, photographing and completed documentation
- Dismantling/re-assembly of computer hardware to include desktops, laptops, servers, etc.
- Use of forensic hardware/software to create industry standard forensic images of digital media (*including, but not limited to hard drives, removable media and cloud data sources*)
- Use of forensic hardware/software to engage in low-level forensic analysis of digital media.
 - Experience with forensics tools (e.g. EnCase, FTK, TZ Works) is not required but is a plus;
- Assist LCG forensic analysts and investigators as needed.

Personal Qualifications:

- Proven mechanical aptitude with computer hardware (*including dismantling of hardware, desktops/laptops, removal of hard drives, etc.*)
- Demonstrated aptitude/experience with computers, mobile devices, common operating systems (Windows, Linux, Mac);
- Knowledge of and/or willingness to learn and maintain proficiency in current best practices related to digital forensics and digital evidence handling;
- Extreme attention to detail and solid organizational skills;
- Strong work ethic and desire to learn;
- Proven ability and willingness to work both independently and communicate regularly with colleagues as part of a team;
- Demonstrated ability to effectively multi-task and prioritize;
- Strong customer-service orientation;

LCG Discovery Experts is committed to providing equal opportunities in employment. We will not discriminate between applications for reason of gender, gender identity, race, religion, color, nationality, ethnic origin, sexual orientation, marital status, veteran status, age or disability.

- Good written and oral communication skills;
- Willingness to work extended hours as needed;
- Background checks and drug testing required;
- Texas residency;

Technical Qualifications:

- MS Office (Word, PowerPoint, Excel, Outlook, Calendar),
- CRM (LCG LRAMS asset and service management system via Salesforce.com)

Travel: Position does require occasional travel out of town as needed.

Our company works with some of the largest and most prestigious law firms and corporations in the United States. Candidates are expected to be of the highest professional caliber. Travel is minimal and generally within the State of Texas, however, candidates must be willing to travel on short notice and maintain flexible work hours as project priorities and deadlines dictate. We offer Health & Dental benefits, paid time off and competitive compensation – but most of all, we offer a fun place to work and an opportunity to learn from and be a part of one of the best teams in the country.
